Re: Adoption Initiative Program

Dear Amy:

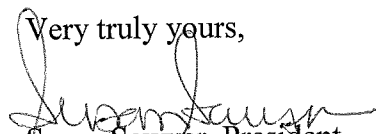

This month marks the conclusion of Especially for Pets (EFP) partnership with North East All Retriever Rescue (NEARR) under your Adoption Initiative Program.

On behalf of the Board of Directors for NEARR, I would like to extend my sincere thanks to you and your colleagues at EFP for providing us an opportunity to make the public aware of the work we do to rescue and find the best homes possible for retrievers in the New England area.

This partnership has been successful for us, in terms of raising awareness of our adoption program, foster home needs and volunteer opportunities as well as helping us collect donations. In fact with your encouragement, we held our first every Bark Sale on February 14th raising \$190.00 in just three hours!

The Medway store is beautiful, in a great location and the staff is absolutely wonderful to work with. We love it there so much that we asked to come back for a third visit on June 27th.

Thank you so much Amy, we look forward to future partnering opportunities or to just host information tables in the various EFP stores.

Very truly yours,

Susan Sawyer, President
North East All Retriever Rescue
